## What's Happening in 5th Grade?

### Dates to Remember

Science CDB #2	1/12
End of the 2nd Nine Weeks	1/13
MLK Holiday	1/16

**English/Language Arts/Reading:** In reading, we will begin our poetry unit. Students will be diving deep into poetry and analyzing them from a critical thinkers standpoint.

**Math:** In math we will begin Topic 9: Multiplying and Dividing Fractions. Students will represent and solve multiplication of a whole number and a fraction. Students will also represent division of a unit fraction by a whole number and the division of a whole number by a unit fraction.

**Science:** In science we will begin our Organisms and Environment unit. Students will be creating biomes and adding components as we learn.

**Social Studies:** *In social studies, we will be finishing up the events leading to the American Revolution. Students will understand how each event impacted colonial life and why colonists eventually decided to revolt. We will learn about the outcomes of the major battles of the war and about the day-to-day life of a soldier during this time.*

### Reminders...
